# CHENIN BLANC

---

*our love for*  
**Chenin Blanc**

---

Chenin Blanc is a bit of a chameleon – as it has the potential to have many different personalities and styles. In the right hands, the wine can be produced to be light and vibrantly bone dry; yet by another producer, the wine can be rich, textured and sometimes sweet. Famed from the Loire Valley in France and small regions such as Montlouis, Vouvray, and Jasnières, Chenin Blanc truly stands on its pedestal and takes its place among the world's great white wines.
